

Perennials for Pollinators

<u>Bloom Period</u>	<u>Scientific Name</u>	<u>Common Name</u>	<u>Color</u>	<u>Max. Ht. (ft.)</u>	<u>Water Need</u> <u>L: low</u> <u>M: Med</u> <u>H: High</u>
Spring	<i>Coreopsis lanceolate</i>	(Lanceleaf coreopsis)	Yellow	2	M
	<i>Penstemon digitalis</i>	(Smooth penstemon)	White	2	M
Spring-Summer	<i>Baptista tinctoria</i>	(Wild indigo)	Yellow	3	L
Summer	<i>Asclepias tuberosa</i>	(Butterfly milkweed)	Orange	3	L
	<i>Lobelia siphilitica</i>	(Great blue lobelia)	Blue	3	H
	<i>Eutrochium fistulosum</i>	(Joe Pye weed)	Pink	7	H
	<i>Pycnanthemum spp.</i>	(Mountain mint)	White	3	M
	<i>Echinacea purpurea</i>	(Purple coneflower)	Purple	4	M
	<i>Monarda fistulosa</i>	(Wild bergamot)	Purple	4	M
Summer- Fall	<i>Liatris spicata</i>	(Marsh blazing star)	Purple	4	M
	<i>Stachys byzantine</i>	(Lamb's Ear)	Pink-Purple	1-2	M
Mid-late Summer	<i>Agastache foeniculum</i>	(Anise hyssop)	Purple	2-4	M
Fall	<i>Symphotrichum novae-angliae</i>	(New England aster)	Purple	6	M
	<i>Vernonia noveboracensis</i>	(New York ironweed)	Purple	7	H
	<i>Solidago sempervirens</i>	(Seaside goldenrod)	yellow	6	L
	<i>Helenium autumnale</i>	(Sneezeweed)	Yellow	2	H
	<i>Solidago rugose</i>	(Wrinkleleaf goldenrod)	Yellow	4	M
Spring	<i>Crataegus crus-galli</i>	(Cockspur hawthorn)	White	20	L
	<i>Cercis canadensis</i>	(Eastern redbud)	Pink	30	M
	<i>Vaccinium corymbosum</i>	(Highbush blueberry)	White/pink	12	M-H
	<i>Salix discolor</i>	(Pussy willow)	Yellow/green	15	M-H
	<i>Liriodendron tulipifera</i>	(Tulip tree)	Yellow/orange	160	M
	<i>Cornus florida</i>	(Dogwood tree)	White/pink	20-40	M
	<i>Acer rubrum</i>	(Red Maple)	red	33-60	M
Spring-Summer	<i>Tilia americana</i>	(Basswood)	Cream	60	M
Summer	<i>Ceanothus americanus</i>	(New Jersey tea)	White	4	M
Spring-Summer	<i>Buddleja davidii</i>	(Butterfly Bush)	Blue, red, white, pink	3-8	M

Annuals for Pollinators

<u>Annual:</u>	<u>Bloom Time:</u>	<u>Light:</u>	<u>Height:</u>	<u>Best For:</u>
<i>Cosmos bipinnatus</i> (Cosmos)	Spring/Summer/Fall	Full Sun	Up to 24"	Butterflies, moths, bees, syrphid flies, beetles
<i>Zinnia elegans</i> (Zinnia)	Spring/Summer/Fall	Full Sun	Up to 24"	Butterflies, moths, bees, syrphid flies, beetles
<i>Lobularia maritima</i> (Alyssum)	Summer	Full Sun to Part Shade	Up to 10"	Butterflies, moths, bees, syrphid flies, beetles
<i>Helianthus annuus</i> (Sunflower)	Late Summer	Full Sun	Up to 6+ feet	Butterflies, moths, bees, syrphid flies, beetles and birds
<i>Petunia hybrid</i> (Petunia)	Spring/Summer/Fall	Full Sun to Part Shade	Up to 12" but spreads out	Butterflies, bees, bee flies and Hummingbirds
<i>Lantana involucrate</i> (Lantana)	Summer	Full Sun	Up to 26"	Butterflies, moths, bees and syrphid flies
<i>Bellis perennis</i> (English Daisy)	Spring/Summer/Fall	Full Sun	Up to 24"	Bees, butterflies
<i>Viola tricolor</i> (Pansy)	Spring/Early Summer	Full/Part Sun	Up to 8"	Bees Butterflies, moths
<i>Centaurea cyanus</i> (Cornflower)	Late Spring/Summer	Full Sun	12 - 24"	Bees, Birds and Butterflies
<i>Calendula officinalis</i> (Calendula)	Summer/Late Summer	Full Sun	12 - 24"	Bees
<i>Cleome spinosa</i> (Cleome)	Summer	Full Sun/Part Shade	Up to 36"	Bees, butterflies, hummingbirds and beneficials
<i>Tropaeolum majus</i> (Nasturtium)	Early Summer	Full Sun/Part Shade	Good Groundcover	Bees, Butterflies
<i>Pentas lanceolata</i> (Pentas)	Summer	Full Sun/Part Shade	12 - 15"	Bees and butterflies
<i>Salvia guaranitica</i> (Black and blue Salvia)	Summer/Fall Also Perennial varieties	Full Sun/Part Shade	Up to 36"	Bees, Butterflies and Hummingbirds

Herbs for Pollinators

Origanum vulgare
(Marjoram/Oregano)
Lavandula (Lavender)
Mentha spicata (Mint)
Melissa officinalis (Lemon Balm)
Myrtus communis L. (Myrtle)
Satureja hortensis (Summer Savory)

Borago officinalis (Borage)
Symphytum officinale (Comfrey)
Petroselinum crispum (Parsley)
Rosmarinus officinalis (Rosemary)
Nepeta cataria (Catmint)
Achillea millefolium (Yarrow)

Allium schoenoprasum (Chives)
Salvia officinalis (Sage)
Anethum graveolens (Dill)
Foeniculum vulgare (Fennel)
Thymus vulgaris (Thyme)
Tanacetum vulgare (Tansy)
