

# Eatontown Pollinator Garden Challenge

The borough of Eatontown is having a pollinator garden challenge.

All Eatontown residents are eligible to participate.

Participation in the challenge is simple. Just send an email to [eatontown\\_pollinator@outlook.com](mailto:eatontown_pollinator@outlook.com), indicating that you intend to participate (along with your address). At the end of the summer, send a photo of your pollinator garden to the same email address as above (along with a list of your plants) and register your pollinator garden at .

If don't have space for a garden at your residence, you can get a plot at the Eatontown community garden for a relatively small fee. Go to <http://eatontownnj.com/community-garden-advisory-committee/> to download the registration form.
